

Gala Entries Information

Calendar

A calendar of all individual galas that the club will seek to attend will be maintained by the Gala Secretary. This will be posted on the Noticeboard at the pool and on the club website on a periodic basis.

Entries

When available the Gala Secretary will publish details of the Meet on the Noticeboard and on the website. A report will be run showing the events that swimmers are qualified to enter. This report will be posted on both the club website and noticeboard.

A template entry form will be posted on the website. For swimmers wishing to enter any events they should print this form and complete it for all events they wish to compete in. The completed form, along with a cheque payable to Connahs Quay ASC covering entry fees, should be returned in an envelope with the swimmer's name and fee to their lane coach. The lane coach will pass the entry to the Gala Secretary or, in their absence, place the form in the poolside 'postbox'.

When the closing date for entries has been reached, the Gala Secretary will post all entries to the hosting Swimming Club. When the hosting club confirm the entries a report of all confirmed entries will be posted both on the noticeboard and website.

In the event of entries not being accepted, e.g. over subscription to the gala, all cheques will be returned.

Results

Following a meet or gala when all results have been confirmed the Team Manager system will be updated and a report posted both on the noticeboard and website and the [Team Stats Online pages](#)

Types of Galas

There are three different types of Gala's that can be attended by swimmers, Team Manager, Club and Individual.

- **Team Manager** – The swimmers attending a Team selection gala (ECL, M&D) are selected by the team managers and the boys and girl's teams will be posted on the club notice board at the pool.
- **Club** – This is a club targeted gala and all qualifying swimmers are invited to attend and Coach(s) will be in attendance on poolside.
- **Individual** – These types of galas are when a swimmer enters a gala or meet on their own, i.e. the club are not attending so no club coach will be in attendance.

NOTE: Any swimmers who enter individual meets must pass their results to the Gala Secretary for their results to be recorded.
